Ryl2 V2240 Server File I forgot I had this file in v2140. Will there be an upgrade from version 2240 to version 2240.xx.xx? Thanks... Jun 8, 2009 how can i configure the server file,from v2240. i've edit the accounts.cfg in the fodler /combase but i am unable to login to the server after edit and refresh the admin tool and enter the username and password "test",can someone help me pls... Dec 22, 2007 What i have to do for RYL v2209 server file? I just download it.. need to configure my account? Help me please!!! Ryl2 V2240 Server File Ryl2 V2240 Server File I Downloaded a new update for Ryl2 v2240 and I want to use it on my RYL2 v2240. I have changed my admin username and password in the admin tool and changed in the server.cfg and.cfg (Ryl2 v2240 only). But I Can't Log In To My Server.. My Account is OK, with the same account and password.. Help please!!! Feb 3, 2007 Hello, do you think that all is running correctly on v2240?. I'm lost. I update v2140 to v2240. Now all is ok, but since I have more than 1000 players I'm trying to upgrade to v2240. Any update for v2240? Ryl2 V2240 Server File Ryl2 V2240 Server File I tried to install this game on my computer..but it's not working properly..when i select the server file (Ryl2 V2240) and enter the credentials..it's showing the error as your account is expired or deleted. What should I do? I have the "serviR.cfg" file, which is the same with that on your site. Thanks.... Jan 30, 2007 About my Ryl2 v2240. The players are not entering the room. They are just showing "Exist" and not showing the room for upgrade. This happens from time to time when i use it. Any solutions? Thanks... Ryl2 V2240 Server File Server Files 1.0.0 v2009 i can't run all rooms and u can't join some rooms. Now i need this server file for v2240 wath 1cb139a0ed
