Now, you can transform your Samsung smartphone into a handheld digital camera with FLY (Take picture. FLY. Share.) We also improved the photo and video shot speed to automatically and immediately share to social networks on the new photo/video mode. And the redesigned Call, Chat, Gmail, Google Calendar and S Health app help to improve usability. Additionally, we changed the NFC feature in Samsung Pay to add more convenience. NFC is still used in Note series to support quick and easy payments for online shopping and mobile payment. To experience the intuitive Samsung mobile assistant and the new FLY mode, you need to install the All Share App, available through the Google Play Store. Have fun with the Samsung FLY!
